

Shipped Semen Information Sheet

As stated in the Shipped Semen Breeding Contract, the first shipment of cooled semen for next day delivery in the continental United States and Canada is included in the Chute Fee. Subsequent shipments of cooled semen for next day delivery shall be \$200 per shipment or subsequent shipments of cooled semen for pick up at SDP Buffalo Ranch shall be \$125 per shipment. Each shipment requested by me for same day, counter-to-counter air freight delivery shall require an additional payment by me of \$300 per shipment, payable prior to shipping. The shipping container is the property of SDP Buffalo Ranch and does need to be returned to SDP Buffalo Ranch within 3 business days. If the container is not returned it will be charged to the undersigned's account.

In 2011 our Stallion Breeding Season will be February 1st through July 15th. During this time we will be collecting every Monday, Wednesday and Friday. If necessary, we will collect on Saturday for same day, counter-to-counter air freight delivery only.

If possible, please call the day before to get your name on the shipping list for the next day. If you need to request a shipment on a collection day, we will need to be contacted by 9:00 am CT. Due to the number of mares being bred to a given stallion, there is a possibility that on some collection days, SDP Buffalo Ranch will not be able to ship semen.

In 2011, the following must be received prior to shipment of semen:

1. Completed Contract
2. Mare's Registration Certificate (copy of both sides)
3. Breed Fee must be paid in full.
4. Completed Shipped Semen Information Form
