4. SDP Buffalo Ranch reserves the right to approve all locations where semen is to be shipped, and will only ship to those locations which are trusted to handle the semen properly.

5. SDP Buffalo Ranch will make every attempt to get semen to my mare in good condition; however, will make no guarantees or warranties that the semen will be in good condition upon arrival.

6. Semen will be collected and shipped on SDP Buffalo Ranch's breeding days only. In the event of limited supply, SDP Buffalo Ranch reserves the right to fly semen counter-to-counter on any given collection day at the mare owner's expense. I also understand that, due to the number of mares being bred to the given stallion, there is a possibility that on some collection days, SDP Buffalo Ranch will not be able to ship semen. Customer mares will always take precedence over mares owned by SDP Buffalo Ranch, but customer mares bred on-site take precedence over semen shipments.

7. SDP Buffalo Ranch agrees to ship semen to my mare up to and including Jul 15th after that date it will be on a case by case basis. I further agree to give my veterinarian or SDP Buffalo Ranch ample opportunity to settle her (having bred her through at least three heat periods). If however, for any reason she does not settle, I will hold SDP Buffalo Ranch harmless.

8. It is further agreed that should the above named stallion die or become unfit for service, or if my mare should die or become unfit to breed, then this contract shall become null and void, and any money paid as part of this service (except Chute Fee and shipping expenses) shall be applied to another stallion standing at SDP Buffalo Ranch and shall be deemed a credit and I will be entitled to a rebreed or substitution the following year.

9. I agree to notify SDP Buffalo Ranch of the pregnancy status of my mare as soon as she is checked for pregnancy, regardless if mare is pregnant or open. Not doing so could result in additional fees and delay in receipt of the breeders certificate.

10. I agree and understand that neither SDP Buffalo Ranch, its representatives, nor the Stallion Owner(s) will be responsible for accidents, sickness, death, or acts of God to my mare and or foal. However SDP Buffalo Ranch and its representatives will use all means of expertise and care to prevent misfortune.

11. It is also agreed that I am guaranteed a live foal at the time of the signing of this contract and that if my foal does not stand and suck, I will be entitled subsequent return in season to the same mare (unless mutually agreed) until a healthy live foal is achieved. **THIS GUARANTEE WILL APPLY ONLY IF I NOTIFY SDP BUFFALO RANCH WITHIN ONE (1) WEEK FROM DEATH; THIS NOTICE MUST BE ACCOMPANIED BY A STATEMENT FROM A LICENSED VETERINARIAN.** There shall be no liability upon SDP Buffalo Ranch on account of said guarantee except to grant me a free season for 1 mare until a successful healthy live foal is achieved. Said free season shall refer to the Stud Fees only. The Chute Fee, Breeders Invitational fee (if applicable), mare cycle fee (if applicable) and shipping expenses will be charged as usual.

12. I agree not to assign or transfer this contract without prior consent of SDP Buffalo Ranch.

13. This agreement is made within the governing of Texas Law, shall be performable within Tarrant County, Texas.

15. **MARE WILL NOT DEPART SDP BUFFALO RANCH UNTIL THE BREED FEE AND OTHER MARE CARE CHARGES ARE PAID IN FULL AND A SIGNED CONTRACT AND COPY OF MARE'S REGISTRATION PAPERS ARE ON FILE AT SDP BUFFALO RANCH.** SDP Buffalo Ranch requires 48 hours advance notice when the Mare Owner wishes to remove his or her mare(s) from the farm. SDP Buffalo Ranch will not release the mare until all fees have been paid in full to SDP Buffalo Ranch. This will allow staff sufficient time to prepare the required health papers and final statement to settle all accounts.

16. The Frozen shipping container is the property of SDP Buffalo Ranch and is valued at \$1500. If the container is not returned within 3 business days, the card will be charged accordingly. SDP Buffalo Ranch does require a 24-hour notice in order to prepare the tank for shipping. There is also a \$250 processing fee on all frozen semen shipments.

17. If a stallion is still showing and it conflicts with our set collection days fresh cooled semen will NOT be available. However, frozen semen if available will be an option to send. You will receive two (2) breeding doses with each shipment of frozen semen.

18. A mandatory \$125 fee for the Breeders Invitational will be added if the stallion is nominated to the Breeders Invitational. IF more than 80 mares are bred and checked in foal, you will be credited a prorated equal amount.
